Annual Meeting with Chartered Organization

The annual meeting between the executive officer of a chartered organization and the district professional, or in appropriate cases his or her designee, should be scheduled at least 90 days prior to the renewal date of the unit's charter. If problems in renewing the unit's charter are anticipated or there is significant corrective action needed, the discussion should be held early enough to allow time to take positive corrective action before the renewal deadline.

The meeting must be a face-to-face discussion, as the concept of working together is central to mutual long-term success. Be prepared by reviewing Scouting: It Works for Your Youth. The video can be downloaded from www.scouting.org/Membership/Charter_Orgs.aspx.

- Chartered organizations must use the Scouting program to accomplish their objectives in a manner consistent with the Bylaws, Rules and Regulations, Guidelines, Policies and other publications available on the BSA National website located at www.scouting.org/membership/charter_orgs/resources.aspx.
 - o The Charter and Bylaws of the Boy Scouts of America
 - o The Mission of the Boy Scouts of America
 - o The Rules and Regulations of the Boy Scouts of America
 - o The Scout Oath and the Scout Law, including Duty to God
 - o BSA youth protection policies and guidelines, including mandatory reporting
 - o The Guide to Safe Scouting:
 - o The Sweet Sixteen of BSA Safety
 - o Scouter Code of Conduct
 - o Chartered Organization Agreement
- Chartered organizations must not use their chartered organization affiliation or the Scouting brand
 as a means to imply Scouting's endorsement of the objectives of their organization except with
 respect to youth development consistent with the goals and objectives of the Scouting program.
- 3. Chartered organizations must not use the Scouting program to obtain financial support or assistance except as authorized for the chartered unit.

All new organizations applying for a charter must have an approved code issued by the National Council. As a private organization, the Boy Scouts of America is the sole arbiter of whether it will issue a charter to any organization. The Boy Scouts of America may deny a charter for any reason or revoke a previously issued charter failure to abide by these guidelines.
